### Care Neighborhood

Community health workers (CHW) address social determinants of health for vulnerable patients

September 10, 2019

[Zoom Meeting](#)

12:00pm (PDT)

Care Neighborhood is the intensive case management program at Community Health Center Network (CHCN) that helps high-risk, high needs patients connect to local

community resources and prevent unnecessary hospitalizations by focusing on addressing the social determinants of health. Join CHCF alum Laura Miller (C12) and Care Neighborhood program designer, Angela O'Brien, to learn from their experience:

- Utilizing community health workers to support vulnerable patients
- Growing the Care Neighborhood program
- Planning for the future of this high-quality program

Laura Miller is a Primary Care internist and CMO of CHCN. Angela O'Brien is the Care Neighborhood Manager. A social worker with over 20 years' experience, she helped create and iterate the Care Neighborhood program from its inception.

## Practice Coaching for Primary Care Transformation

October 22-25, 2019,  
Portland, OR

### [Practice Coaching for Primary Care Transformation](#)

[\(PCPCT\)](#) is a multi-faceted training program designed for leaders at all levels who have a formal or informal coaching role in primary care transformation efforts. The course is an orientation to, and comprehensive review of, the science of change in primary care practice that equips participants with practical tools and coaching skills necessary to engage and support teams as they evolve into high-performing Patient-Centered Medical Homes.

This course includes four full days of classroom training, a pre-training assessment, curriculum materials, a site visit to a high-performing primary care practice and optional post-training mentoring support.

This robust training approach educates participants on the fundamental content of practice coaching while also providing them with the resources needed to empower clinic teams in utilizing quality improvement methods for sustainable change.

#### Fees

- Individual Registration: \$4,750
- Group rates available

This training is intended for practice coaches, facilitators or other staff supporting the transformation of primary care practices. To ensure a comprehensive learning experience, space in this training program is limited to 20. Participants who register after this training program is full will be added to

a wait list, and will be notified and have first priority when future sessions are scheduled.
