

Adult Learning Principles

Practice Transformation Initiative
Share & Learn Webinar
August 30, 2017

8/30/17

Hello and welcome!

Zoom Tips

- Attendees are automatically UNMUTED upon entry
- Refrain from using the hold button
- **Use the chat box, raise your hand, or *unmute yourself and jump in* if you have questions or would like to participate**
- Direct messages to Juliane if you have any technical issues
- Sit back and enjoy – this meeting is being recorded; slides & a recording will be included in the PTI Weekly Communications email on Thursday!

Share & Learn Webinars

- Monthly opportunity to **Share & Learn** alongside your PTI colleagues:
 - on technical content or learn new concepts,
 - to share your successes and promising practices,
 - to thought partner with your peers about the challenges you're facing in this work.
- Each webinar will have a different focus and will vary in its target audience, but is open to all of you (project team members or practice coaches).

FROM PRINCIPLES TO PRACTICE FRAMEWORK

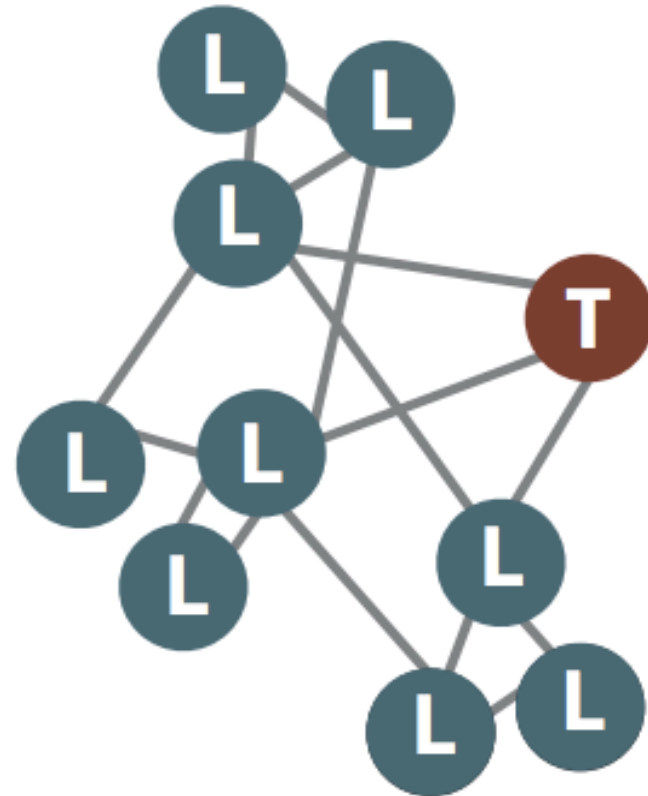

Teaching-Centered Approach

The teacher of a teaching-centered approach asks 'what do I need to say to teach this information?'

Learning-Centered Approach

The teacher of a learning-centered approach asks 'what do the learners need to do to learn this content?'

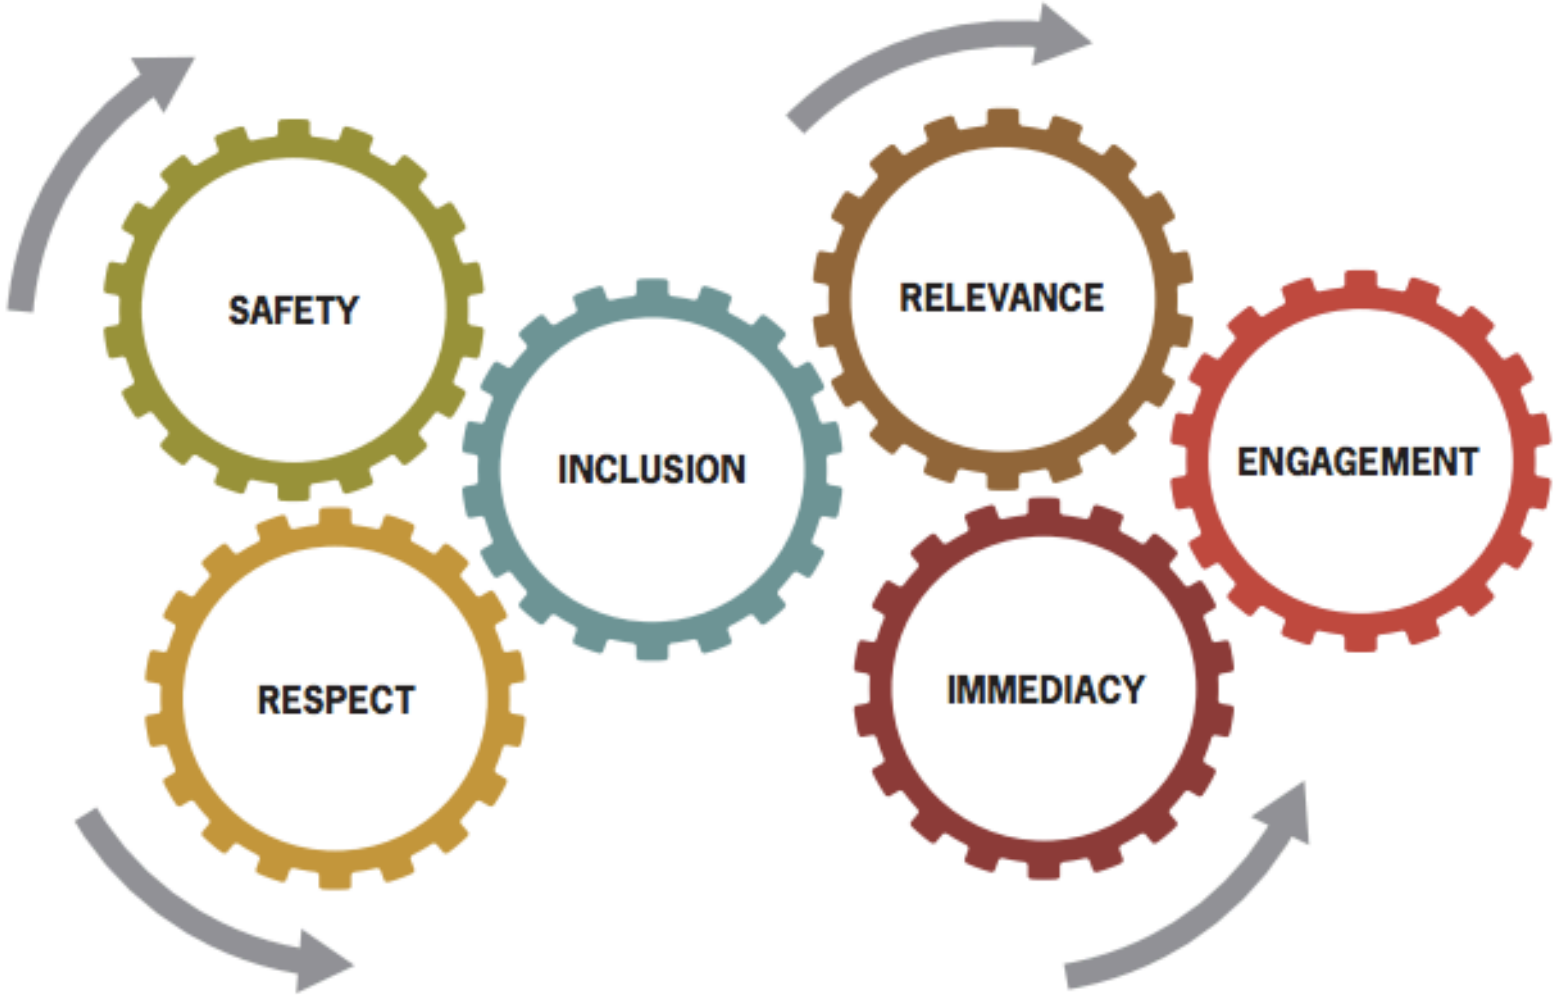

POLL:

Connection between practice facilitation and adult learning

- Your work with practices = learning environments
- For adults, learning happens by ***doing***
- Care teams in the practices are experts in their own work
