

## CalHIVE BHI Connect - January 2024

Welcome back CalHIVE BHI Teams! We hope you all had a relaxing end of 2023 and are all excited to jump back into your BHI implementation work.

We are excited to announce two new additions to CQC's CalHIVE BHI team: [Mary Nickel-Nguy](#) joins PBGH/CQC as Senior Manager, Behavioral Health Integration as a lead Improvement Advisor; [Brian Sandoval](#) joins the team from CFHA as the program's Clinical Advisor. Look forward to meeting them at a future improvement advising session or learning event.

## Learning Events

All materials from this week's CalHIVE BHI Commons webinar, Pilot Site Evaluation and Engagement, are available on the [CalHIVE BHI website](#). We look forward to hearing your perspectives and questions at the Pilot Site Evaluation and Engagement peer sharing BeeHIVE webinar on Tuesday, January 30, 2024.

We shared information regarding the 2024 CalHIVE BHI In-Person Convening (May 21-22, 2024 in Long Beach, CA). More details about travel logistics and location will be released next month. As a reminder, you can view the entire 2024 Q1 Learning Sprint calendar [here](#).

## Data

Thank you to all organizations who met with BluePath Health (CalHIVE BHI's data consultant) during the introductory/discovery calls. BluePath Health has followed up with a meeting summary that includes recommendations for technical assistance (TA) available through March 2024. Please review BluePath Health's summary and let your improvement advisor know which TA

recommendation you would like to proceed with.

As we head into baseline data collection for CalHIVE BHI (April 2024), our next data reporting webinar will be on Thursday, March 7, 2024 (12:00PM-1:00PM). All data leads/teams should attend and confirm your attendance by registering through the Outlook calendar invitation link.

Please contact [Jose](#) if you have any questions about baseline data reporting.

### **Improvement Advising**

Thank you to all the teams for your continued work on [Section 5 – BHI Billing and Coding](#) of your Implementation Plan. Section 5 is due on Wednesday, January 31 to your Improvement Advisor. Earlier this week, you received Implementation Plan [Section 6 – Pilot Site Evaluations & Engagement](#) and the [Pilot Site Evaluation Measures](#). Both are due Thursday, February 29.

**Resource Spotlight: Collaborative Family Healthcare Association (CFHA)**

As part of CalHIVE BHI, each team has been awarded a year-long organizational membership to [CFHA](#) for up to 10 individuals (at no cost). CFHA is the national association for integration of physical and behavioral health, with a clear and focused mission: to establish integrated care as the standard in healthcare. As part of your membership and participation in the CalHIVE BHI, you will have access to the following impactful resources:

- Peer-reviewed journal, 'Families, Systems & Health'
- Virtual educational platform, 'CFHA Learns and Shares,' with resources designed to assist in the successful implementation of behavioral health services
- CFHA's established network of experts through their active listserv and special interest groups

CFHA will support your teams to collaborate and exchange ideas with integrated professionals all over the nation. Contact your Improvement Advisor with any questions as your teams receive log-on information.

## Upcoming Events

View all CalHIVE BHI Events in the [2024 Q1 Learning Sprint](#). All meeting materials are posted on the [CalHIVE BHI Program Website](#). Questions on upcoming events or invitations? Contact Anna Baer [abaer@pbgh.org](mailto:abaer@pbgh.org)
