CalHIVE BHI Connect - May 2024

The 2024 CalHIVE BHI In-Person Convening is right around the corner – we are so excited to bring together the cohort for the second time. Thank you to the teams for arranging travel and time away, preparing pre-work and making the space to connect in-person. All attendees are invited to a Tuesday afternoon reception after Day 1; see the updated agenda [here](#). Please reach out to your IA or [Anna Baer](#) with any questions.

Learning Events

Is this your first CalHIVE BHI In-Person Convening? Join our optional Convening Prep Webinar on **Tuesday, May 7 11:00 –**

11:30 am. We will preview what to expect from the two days, and highlight a few storytelling tips to help make your BHI Accomplishment posters shine.

Reminder! All pre-work for the convening is due **Friday May 10**. Reach out to your IA with any questions.

Data

Thank you to all teams for completing your Cycle Baseline data submission! The next data webinar for Cycle 1 will be **Thurs. June 13 12:00 – 1:00 pm**. If you have any questions prior to the webinar, please reach out to [Jose Ordonez](#).

Improvement Advising

It is time to review the second Implementation Milestone Assessment Tool (IMAT)! By the end of May, your IA will review the second IMAT and agree on scores, an important step in preparing for Year 1 Payment 2. Our team is preparing each provider organization's individual scorecard for the upcoming invoicing and payment process, which all teams will receive in early June.
